Antenatal Education & Preparation

Bespoke preparation for a calm, confident and informed birth.

Empowering you with knowledge, confidence and practical tools for a positive childbirth experience. Every session is led by an internationally certified, DOH-licensed midwife and tailored to you. Choose exclusive private care in the comfort of your home, or an intimate small-group setting (maximum 6 couples). Partners are always welcome.

Throughout Every Session You Will Learn

- Stages of labour & understanding contractions
- Perineal preparation & massage
- Positions during labour & birth
- Personalised birth planning
- Harvesting colostrum
- Hands-on practical demonstrations
- Pain management & breathing techniques
- How to safely deliver the baby
- Rebozo techniques
- Hospital preparation
- Evidence-based maternity information
- Confidence-building education tailored to you
