Postnatal Recovery Support

Five-star support for you and your newborn, in the comfort of your home.

Compassionate care to help you heal, recover and embrace your new journey. You've nurtured your baby, and now we're here to nurture you. Each private home visit is delivered by your dedicated, DOH-licensed midwife across Abu Dhabi, with travel included.

What Each Visit Includes

- Postnatal health check-ins to monitor recovery
- Wound & perineal care
- Feeding assessment & support
- Mental & emotional well-being check-ins
- Breastfeeding & newborn care guidance
- Maternal recovery assessment
- Newborn care support
- Safe sleep guidance
- Recovery & nourishment support for healing
- Rest & self-care strategies to restore energy
